

Community Care And Support Australia

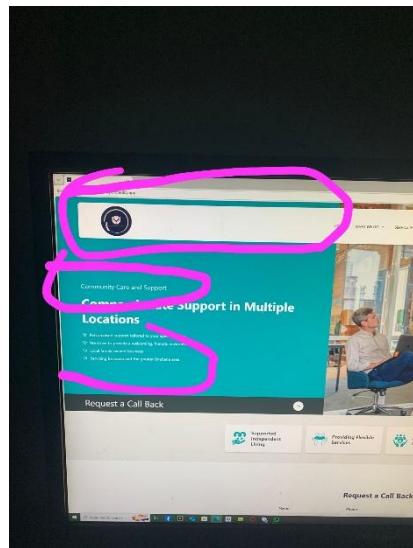

Changes:

1. Navbar too Empty After logo on desktop:

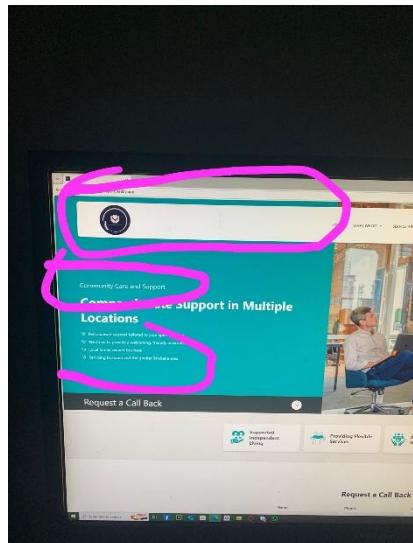

Company Full Name Inserted Right After the logo to make it look more Attractive and to fill the empty space

2. Company Name Should be complete and Prominent (Bolder and Bigger):

Company Name made Bolder and Made it Complete with the Suffix Australia

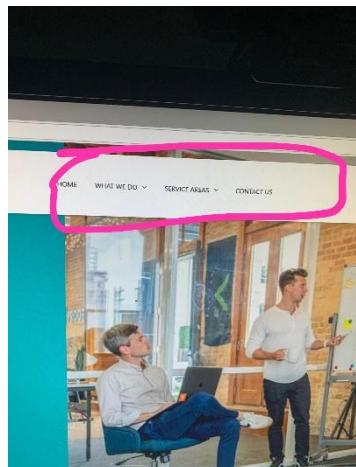

3. Points in Hero Section Should be more Prominent:

A screenshot of a redesigned website. The hero section features a teal background with white text. The main heading "Community Care and Support Australia" and the sub-section "Compassionate Support in Multiple Locations" are both bolded. To the right of the text is a photograph of four people in a modern office setting: one man stands at a whiteboard, while three others sit on a blue couch, all looking towards him. The top navigation bar includes a logo, the company name, and links for "WHAT WE DO", "SERVICE AREAS", and "CONTACT US". A teal button on the right says "CALL 0492 265 171". At the bottom left of the hero section is a "Request a Call Back" button.

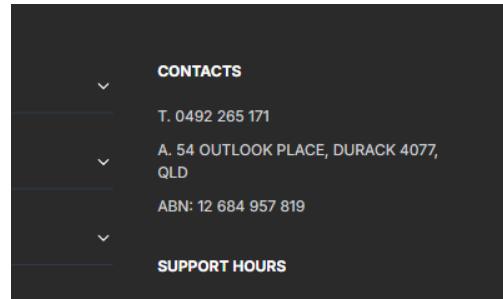

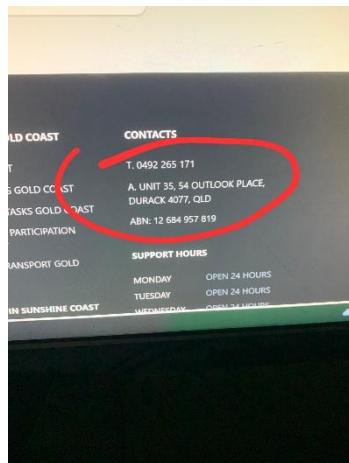

Points made bolder and the background image added to Left Section for more attraction and to make it pop

4. Navbar Links to be bolder and more Visible

7. Contact Page Hero Section Improvement

A screenshot of the improved contact page. At the top, there is a header bar with the organization's logo, the text "Community Care and Support Australia", and navigation links for "WHAT WE DO", "SERVICE AREAS", and "CONTACT US". To the right of these links is a teal button labeled "CALL 0492 265 171". The main content area features a teal background image of grass. The title "Community Care and Support Australia" and the heading "Contact Our Team" are displayed. Below the heading, a small paragraph of text is visible. The overall design is cleaner and more modern than the original.

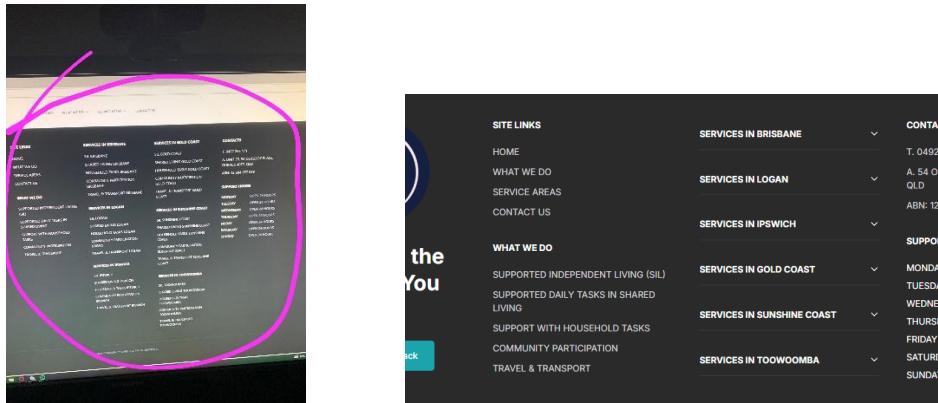

Improvements made to the Contact page Home Section

8. Footer Section Logo Should be bigger and center of column

The Logo is made Bigger and the Column is set to Center

9. Footer is Congested with links, We should Simplify the Footer

The Location links are put in a toggle list and all locations are put in a single column
